Summary
<p>Nacton CEVC Primary is smaller than the average primary school with 99 pupils. The number of children entitled to free school meals is lower than the national average, as is the number of pupils with English as an additional language. The school deprivation indicator shows the school to be broadly similar to schools nationally. Overall absence figures are below the national average.</p> <p>The aim is to accelerate the learning of all children so that they achieve or exceed national expectations in English and Maths, in particular the children within the vulnerable groups.</p> <p>All members of staff, governors and teaching assistants accept responsibility for 'socially disadvantaged' and 'vulnerable pupils' and are committed to meeting their pastoral, social and academic needs within the school environment. Nacton Church of England Primary School is committed to 'Narrowing the Gap' between vulnerable pupils and the pupil premium forms a vital part of that process. The head teacher and governors reserve the right to allocate the pupil premium funding to support any pupils or groups of pupils the <i>school</i> has legitimately identified as being socially disadvantaged.</p>
Barriers to Achievement
<p>Pupils who generate Pupil Premium funding have many and varying needs. There are some barriers to learning that are common. However, some barriers are personal and specific to individual learners. It should not be assumed that the following list is relevant to all pupils who generate additional funding.</p> <ul style="list-style-type: none"> • Ability to fund extra-curricular activities e.g. clubs; • Attendance and punctuality • Ability to fund trips and other experiences that support the curriculum; • Emotional wellbeing and being 'ready to learn'; • Behavioural difficulties and the ability to manage different social situations; • Support with homework; • Support with developing key literacy skills; • Developing aspirations and personal leadership skills.
