- Turn taking games

# 999 In an Emergency Spring 1 2019

## Expressive Arts & Designs

- Junk model emergency service vehicles
- Create own X-ray pictures
- create own beach flags
- Listen to sirens, why are they used? Investigate sounds we can make with our bodies.
- Look at the colour and shape of fire and create collage flames.
- Design collars for toy animals.

## Physical Development

- Daily fine motor control activities
- How to stay healthy
- Twice weekly PE lessons covering Dance and Skills Development
- Safety around medicines

## Mathematics

Themes including:

- Counting
- adding and subtracting
- time
- positional language

Problem solving linked to topic

## Understanding the World

- 🌐 Chinese New Year Feb 5<sup>th</sup> year of the Pig
- 🌐 How to contact the Emergency services.
- 🌐 The life cycle of humans
- 🌐 Find out about famous nurses Mary Seacole and Florence Nightingale
- 🌐 Look at X-ray pictures, why do we have bones? How can we see them? Look at X-rays of animals, how are they similar/different?
- 🌐 At the Doctors on the computer
- 🌐 Look at the inside of an ambulance
- 🌐 What do fire fighters/police officers do?
- 🌐 What jobs do people have at hospitals?
- 🌐 Find all the fire safety signs in school, why are they there and what do they mean?
- 🌐 Fire safety including Stop, drop and roll
- 🌐 Use the Beebots (Bee shaped robots)
- 🌐 How to care for animals
- 🌐 Beach safety – what do different flags mean?

These are some of the activities we will be covering, however as our topic is child-led activities and ideas can change.
