

Nacton Church of England Primary School
COVID-19 Extending Provision to Additional Pupils
June 2020

Priority: Re-opening of Nacton Church of England Primary School as safely as possible following the COVID-19 lockdown and enforced school closure. To reduce the risk to pupils, staff and families of contracting COVID-19 whilst they are in school. <u>The environment will never be risk free, attendance in school is recognition that you are aware of these risks.</u>		Lead Person: G. Ryan Local Governor monitoring: Shared on Governorhub 20/05/20	
Evidence: what is the current position and reason for its inclusion as a major priority	School is currently closed for most pupils following the Government's enforced closure. It is anticipated that schools will be asked to extend provision to several year groups after the May half term – at the beginning of June.	Where we want to be; intended impact on pupils; what evidence is needed to show we have achieved it?	Impact needs to be on all areas of school life to keep pupils, staff, parents and visitors as safe as possible. Success Criteria Nacton will be able to open to some pupils, safely, delivering an effective education.

This is a working document, so will be updated regularly including evaluation. All updates will be shared with staff, and with parents where necessary.
