

Nacton Church of England Primary School

COVID-19 catch-up premium spending: summary

SUMMARY INFORMATION			
Total number of pupils:	99 (97 at October 2019 census)	Amount of catch-up premium received per pupil:	£80
Total catch-up premium budget:	£7,760		

STRATEGY STATEMENT

At Nacton Church of England Primary School we are following recommendations from the Education Endowment Foundation regarding the best way to spend the COVID-19 catch up premium, [COVID-19 Support Guide for Schools](#). This ensures that we use the premium in an efficient and effective manner. Our strategies include:

- Teaching and whole school;
- Targeted approaches;
- Wider strategies.

The overall aims of our catch-up premium strategy:

- To raise the attainment of all pupils to close the gap created by COVID-19 school closures;
- To reduce the attainment gap between our disadvantaged pupils and their peers.

Planned expenditure for the current academic year, 2019-2020.

Quality of teaching for all					
Action	Intended outcome and success criteria	What's the evidence and rationale for this choice?	How will you make sure it's implemented well?	Staff lead	When will you review this?
To employ a teacher to run booster/ interventions with small groups of pupils. (2 days a week in the Autumn term and 1 day a week in the Spring term)	The gaps in learning identified for these pupils reduce.	Staff have completed assessments of their pupils and have adapted the curriculum to meet the needs of most of their pupils. Pupils with larger gaps will need to have further intervention. A qualified teacher, who knows the school, will provide high quality small group teaching.	Monitor progress of pupils accessing this support.	G. Ryan	Termly, review costing to see if Summer term interventions can occur. Teachers will review weekly who needs the additional support.
Total budgeted cost:					£6850
Targeted support					
Action	Intended outcome and success criteria	What's the evidence and rationale for this choice?	How will you make sure it's implemented well?	Staff lead	When will you review this?

To purchase TT Rockstars. Allowing pupils to practice their times tables knowledge at home and school.	To support pupils to be fluent in their times tables.	Pupils aren't as confident with, or as fluent with their times tables as they should be.	Class teachers monitor use. Pupils who aren't accessing it at home to use it more frequently at school.	W. Clayton	Termly
Total budgeted cost:					£78
Other approaches					
Action	Intended outcome and success criteria	What's the evidence and rationale for this choice?	How will you make sure it's implemented well?	Staff lead	When will you review this?
To purchase Teachers2Parents email service/	To improve communication with parents/carers.	The school previously had a text service which was only one way. The email service will enable quick communication with parents, the ability to add multiple attachments, less risk of GDPR breach and enables parents to respond to emails.	Monitor the frequency of use and reason for use.	G.Ryan C. Whitman	Termly
Total budgeted cost:					£299
Total budgeted cost across all three areas:					£7227
