Our Gatherings
Pupil Feedback
End of Autumn Term 2025

Foxes (Year 5 and 6)

We love the build up to Easter or Christmas. We also like listening to stories which make us think from the Bible and our reflection time. We value time to be quiet and focus on the candle. We like to sing together. It makes us feel happy and like one big community. We like it when we can celebrate outside on the field. We also enjoy going to the church because it makes us feel special.
We would like to head more stories and use our own bibles more. We would like to make sure there is a prayer at the end of every gathering.

Hares (Year 2)

We love singing the most and using our voices together. We like to sit and listen to the stories. It feels special when the lights go off and we look at the candle. It feels special to visit the church. Our class gatherings help us learn. We love the surprise of who is going to get a certificate on Fridays. We would like the candle lit first and more opportunities to share what we are thinking.

Stoats (Year 3 and 4)

We love singing together the most.
We enjoy all the different songs.
We enjoy listening to the stories because they are exciting.
Celebration is our favourite. We like that it is at the end of the day and that everyone is together. We enjoy the certificates and that everyone is included.
We would like more stories and greater chances for everyone to participate.
We would like to laugh more.
We would like to share more about our class and choose where to sit like we used to.
