

My transition photobook

Starting school

My teacher
will be Miss
Bowen

The other adults supporting me will be

- Mrs Wells

- Miss Pilcher

- Mrs Walker

This is my new classroom.

This is where I put my bag and coat.

This is where I put my water bottle.

This is the calm corner.

Calm Corner

What is it?
A safe space to settle my big emotions and feel calm

What is it not?
A space to avoid learning
A space to play when I have finished my learning

Calm Corner Rules

1. Sit down and get comfortable
2. Choose a calming activity
3. Set a timer
4. Recognise when you are feeling calm
5. Return any resources
6. Return to your learning

Everyone feels nervous and maybe excited when they are starting something new.

It is ok to ask questions.

It is ok to not know what to do all the time. Adults and friends will help you. You can ask them for help or ask them a question if you are unsure about something.

You will soon settle in and enjoy the new things that you do.

Well done!

You are on the way to being ready for the next school year.
