

My transition photobook

Moving into Fox class

Next year my
teacher will be
Mr Bilner

The other adults supporting me will be

- Mrs Mitchell

- Miss Lovatt

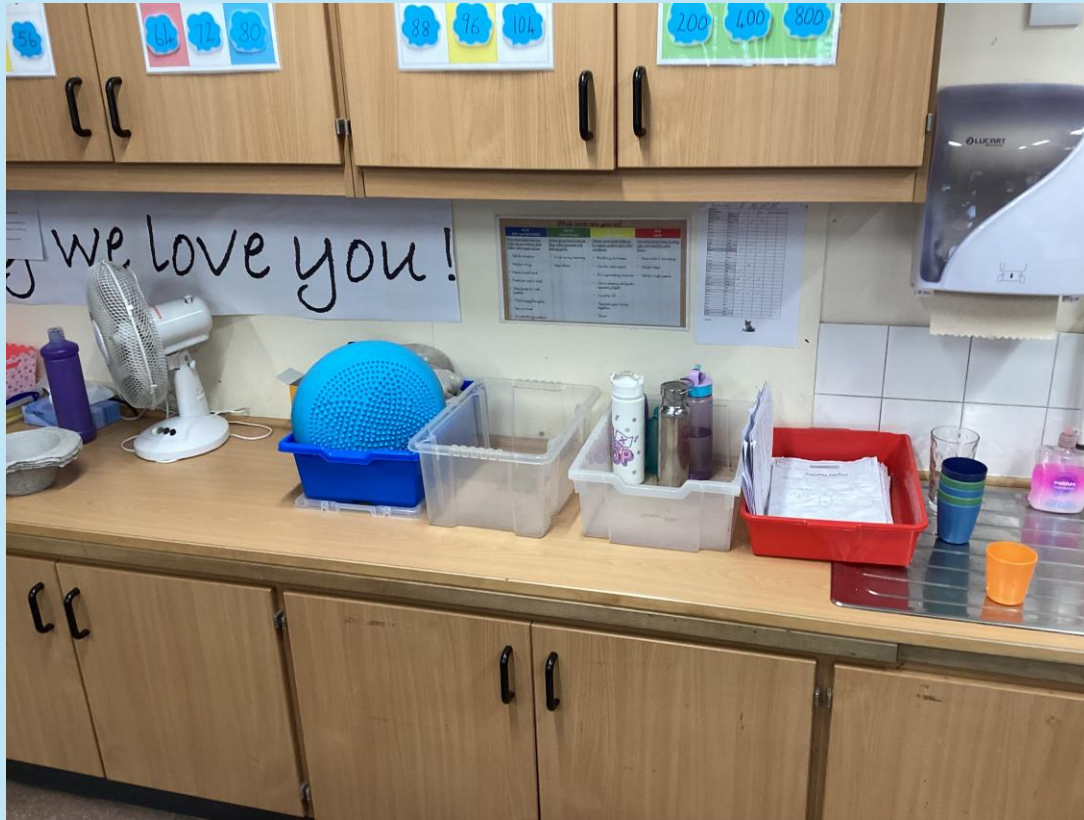

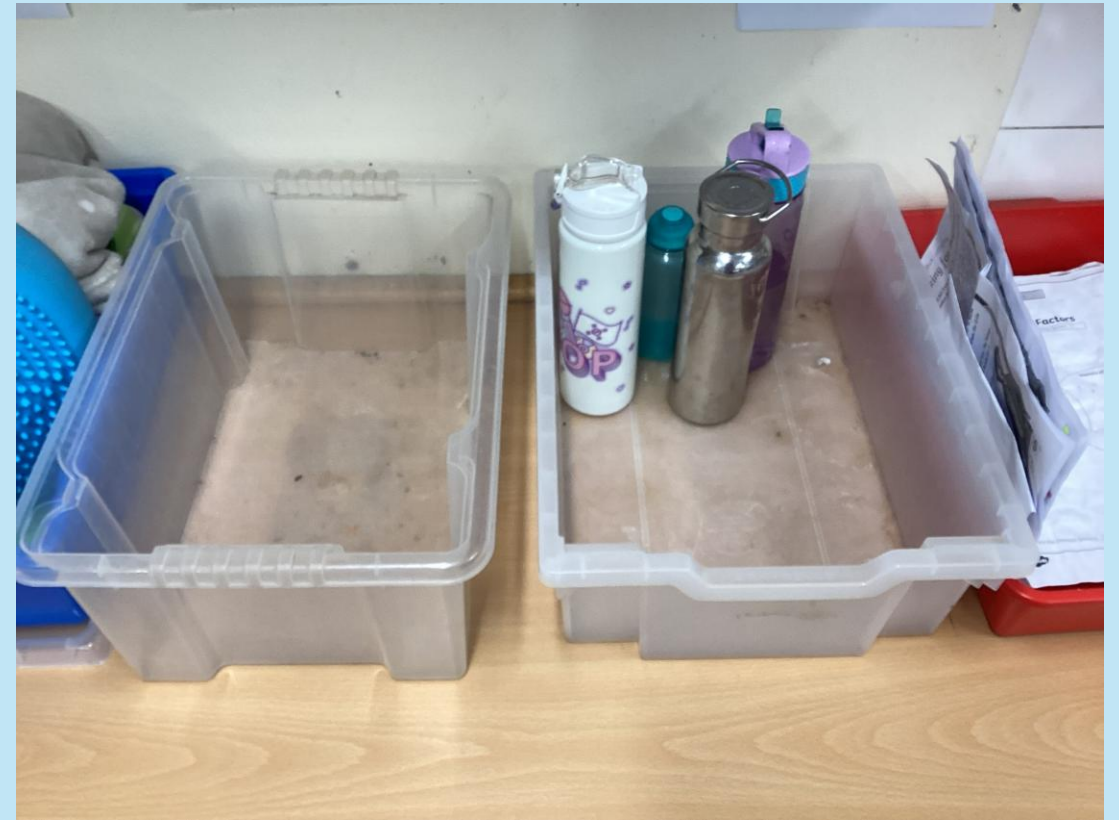

This is my new classroom.

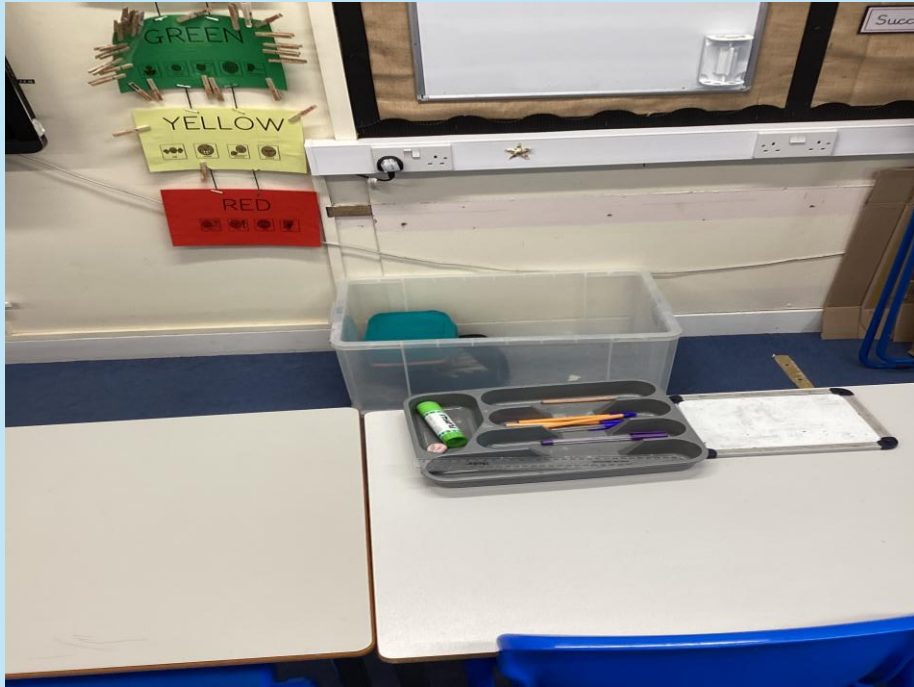

This is where I put my bag and coat.

This is where I put my water bottle.

This is where I put my lunch box.

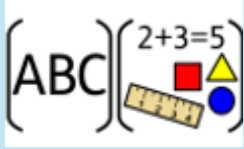

This is the calm corner.

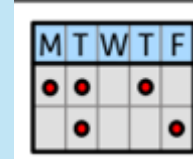

Things that will be the same...

Break times and lunch times

I will learn Maths and English every day,

There will still be a timetable to tell me what I am doing each day.

The school rules are the same.

I will have PE twice a week.

The toilets are the same.

I will still see my old teachers.

I will need my coat and my reading book

I will see all my friends at playtime.

I will still eat lunch in the hall.

Things that will be different...

I will have different teachers.

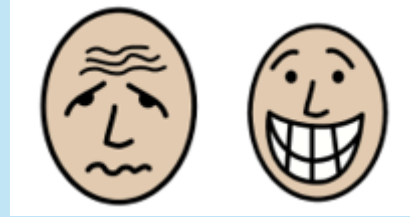

I might sit next to and work with somebody different.

My classroom is in a different part of the school.

Everyone feels nervous and maybe excited when they are starting something new.

It is ok to ask questions.

It is ok to not know what to do all the time. Adults and friends will help you. You can ask them for help or ask them a question if you are unsure about something.

You will soon settle in and enjoy the new things that you do.

Soon it will seem like an 'old' classroom not a new one!

Well done!

You are on the way to being ready for the next school year.
