Attendance headline:

Whole school: 95.8%			
Hedgehogs	Hares	Stoats	Foxes
94.1%	96.2%	96%	95.6%

Attendance: Absence Reporting

Please can we remind all parents/carers of your responsibility to inform the school when your child is absent. All parents should call the school **between 8am and 9am** on 01473 659370. A message can be left on the answerphone if your call is unanswered. If parents are on site they can also let the office know directly. Parents should report their child's non-attendance **for every day of absence**, and to **explain the reasons** for their absence.

Attendance: Medical Appointments

Can we ask that all medical appointments are made for outside of school hours. This includes dentist, optician and doctor appointments. On the rare occasion where this is not possible, for example a child needs to attend a specialist centre at a given time, parents must complete an 'exceptional leave of absence' request and return to the school with any supporting evidence e.g. a copy of the appointment letter where possible. A form for this can be collected from the school office or is available on our website. When a child has a medical appointment, they should only be out of school for the minimum amount of time necessary for the appointment. They should be brought back to school as soon as possible so that they do not miss out on any more learning than is necessary.

Emergency Contacts

We aim to hold at least two emergency contacts for each child. On the rare occasion where we are unable to contact the first emergency contact regarding attendance, we will ring all contacts listed to ascertain the reason for any child's absence as well as to ensure safeguarding of the child. Please keep us updated in any changes to contact information.

Cyber security

Cyber security is the process of protecting your information and data whilst online against scams and cyberattacks. Cyber-attacks are the process of maliciously targeting individuals or organisations to disable networks or steal data for example.

The National Cyber Security Centre (NCSC) have an area on their website with guidance to help protect you and your family. The guidance includes how to manage your digital footprint online, information about anti-virus software as well as top tips for staying online such as:

- Using a strong password
- Setting up 2step verification

You can find the resources here:

The NCSC also provide advice on what you should do if you are the target of a scam or cyber-attack. Find out more here:
