Attendance headline:

Whole school: 93.8%			
Hedgehogs	Hares	Stoats	Foxes
94.5%	95.2%	92.9%	93.4%

Summer Fete – postponed

With temperatures forecast to reach 30°C next Friday, we have made the difficult decision to postpone the summer festival planned for next week. We will instead hold the event on Friday 18th September. The NSA has kindly agreed to fund ice cream for all of our Year 6 children during their upcoming trip to Felixstowe as a result of this cancellation. We hope this special treat will help make up for the disappointment and give them something extra to look forward to.

Sports Day

Thank you to all parents, carers and family members who joined us for Sports Day this week. Your support, encouragement and enthusiasm helped make the event such a special occasion for our children. It was great to see the children whether they were competing, cheering on their classmates or encouraging one another, truly embody our school values. A special thank you also goes to staff whose hard work and organisation ensured the morning ran so smoothly. It is always wonderful to see our school community come together to celebrate the children's achievements.

Breakfast club arrival

When arriving for the 8:15 Breakfast Club, please ring the doorbell at Reception rather than using the hand bell. This will alert the Breakfast Club staff, who will let your child into the building and sign them in.

End of Year Reports

End of year reports will be sent you directly by email next Friday. This will look different from our usual template but includes the same information. If you wish to discuss a specific aspect of your child's report with the class teacher, please email or phone the school office to arrange this. You also have the option of completing the parent comment sheet and sending it back into school.

Accompanying reports will be a separate letter with the outcomes for year 1 children who took the phonics screening check, those year 2 learners who retook the test, the outcomes of the multiplication times table check for year 4 children and SATS outcomes for Year 6.

Transition photobooks

We would like to make our transition photobooks available to all children and their families. These can be accessed on our school website at the address below:

<https://nacton-c-of-e-vc-primary-school.secure-primariesite.net/transition-resources/>

Our transition photobooks are designed to help children become familiar with their new classroom, teachers, and learning environment before they start. They include photographs of key areas around the

space, classroom routines, and the adults who will be supporting them. By providing a visual introduction to their new setting, the photobooks help children feel more confident, reduce anxiety, and support a smooth transition into the next stage of their learning.

Children will spend next Tuesday morning in their new classroom, giving them the opportunity to meet their new teacher, become familiar with their learning environment, and begin building relationships with their classmates. In addition, we have already introduced weekly transition circle times, which take place in the children's new classes at the end of every Monday, helping to support a smooth and positive transition.
