Attendance headline:

Whole school: 94.4%			
Hedgehogs	Hares	Stoats	Foxes
94.9%	95.8%	93.8%	93.9%

Colour run!

The colour run on the last day of term, I thought was an absolute triumph! The event was a fantastic success, bringing together children, families, and staff for an afternoon filled with fun, laughter, and plenty of colour! A tremendous amount of planning and hard work goes into organising events like these, and I am incredibly grateful for the time and energy that made the day possible by the NSA volunteers, especially Sheena for her endless hard work and dedication to supporting the school. It is greatly appreciated by us all.

What a wet week!

This week has been a week of mixed weather. Can I ask parents to please check the weather forecast and ensure their child brings a waterproof coat on rainy days. This will help them stay comfortable and enjoy their playtime whatever the weather. Thank you for your support.

Breakfast Club

We are delighted with the positive response to our new breakfast club since bringing the provision in-house. Each day we have 25 spaces available to book through the MCAS app. However, if you want a space but find we are fully booked please do contact the office directly as spaces do become available. Next week, we would like to encourage as many children as possible to join breakfast club. This is because future funding is dependent on the numbers of children making use of the provision during this week. The theme next week is 'animals.' Children will be making masks and collages alongside other themed activities as well as enjoying breakfast and games together.
