15th May 2026

Attendance headline:

Whole school: 94.7%			
Hedgehogs	Hares	Stoats	Foxes
95.1%	95.8%	94.3%	94.1%

As Headteacher, I would like to remind all parents and carers that if you ever have any worries, concerns or questions regarding your child, please speak to your child's class teacher in the first instance, as they are often best placed to help with day-to-day matters. However, my door is always open and I am always happy to support where needed. Please feel free to speak to me on the playground or arrange a meeting through the school office if you would like to discuss anything further. Working together is the best way to ensure all of our children are happy, safe and successful in school.

Gemma Taylor
Headteacher

Well done Year 6!

Year 6 showed a fantastic attitude during SATs Week and have made us all proud. They came in each day ready to try their best, showing resilience, confidence and lots of encouragement for each other along the way. It was lovely to see how calm, positive and determined they were throughout the week. All of their hard work and preparation we feel really paid off. I would also like to thank the staff and families who encouraged and supported the children so brilliantly during the week. Well done, Year 6 — you should all be extremely proud of yourselves!

Toys

A gentle reminder that children should not bring toys or personal items into school unless they have been asked to for a special activity or event. Toys can easily get lost or damaged and can sometimes distract children from their learning and cause problems at play time with friends. Thank you for your support in helping us keep everyone focused, safe and ready to learn each day.

Online safety reminder

Online safety continues to be an important focus in school and we encourage families to support this at home. Please take time to talk with your child about staying safe online, using apps and games responsibly, and telling a trusted adult if anything online worries them. Simple steps such as checking age ratings, using parental controls and keeping devices in shared spaces can make a big difference
