### **Early Help Offer**

'Early Help' describes the type of early intervention and support that can be provided when a child or young person's needs are not being met by routine universal services, but do not meet the threshold for a specialist service such as Children's Social Care

Early Help Offer is about working with partners to help children, young people and families; providing information, advice and services at the right time and supporting them to resolve their concerns as needs emerge.

At Nacton our Early Help Offer includes:

- Nurture Group
- Feelings Group

- Bespoke 1:1 support e.g. talk time
- Head teacher available to meet with parents when needed, and an open door policy for pupils

- Stringent safeguarding protocols
