999 In an Emergency Spring 1 2020

These are some of the activities we will be covering, as our topic is child-led activities and ideas can change.

Expressive Arts & Designs

- Junk model emergency service vehicles
- Create own X-ray pictures
- create own beach flags
- Look at the colour and shape of fire and create collage flames.
- Design collars for toy animals.
- Learning nursery rhymes, identifying pulse and rhythm, explore instruments.

Physical Development

- Daily fine motor control activities
- How to stay healthy
- Twice weekly PE lessons covering Ball games and Skills Development
- Safety around medicines

Understanding the World

- 🌐 Chinese New Year Feb 25th year of the rat
- 🌐 How to contact the Emergency services.
- 🌐 The life cycle of humans
- 🌐 Find out about famous nurses Mary Seacole and Florence Nightingale
- 🌐 Look at X-ray pictures, why do we have bones? How can we see them? Look at X-rays of animals, how are they similar/different?
- 🌐 Look at the inside of an ambulance
- 🌐 What do fire fighters/police officers do?
- 🌐 What jobs do people have at hospitals?
- 🌐 Find all the fire safety signs in school, why are they there and what do they mean?
- 🌐 Fire safety including Stop, drop and roll
- 🌐 How to care for animals
- 🌐 Beach safety – what do different flags mean?
- 🌐 Fireman Sam games on the computer

Mathematics

Themes including:

- number bonds to 5
- numbers 6,7,8,9, 10
- Comparing numbers to 10
- Problem solving
