Summer No.5

17th July 2020

Fond farewell: Following what can only be described as a challenging year, we're saying goodbye to our Year 6 pupils. They have made us exceptionally proud over the last year. Particularly their maturity in taking everything in their stride during the last few months. They're an amazing group of children and we wish them all the best as they move onto their high schools. Once restrictions change we'll organise a Leavers' Service, of sorts, in the Autumn term.

Thank you: The last few months have been the most challenging time in education that any of our staff have faced. We've been blown away by the support that our families have shown us and how families have really appreciated what the staff have been doing for their children, whether virtually or in person. I know it has been a challenging time for all of our families, so I hope that you, along with our staff, have a very well deserved rest over the summer holiday. We are really looking forward to seeing all of our families back in September.

Transition: Suffolk County Council have highlighted these resources on supporting pupils on returning back to school <https://www.suffolkseniass.co.uk/back-to-school>.

Reports: We'll be sending you your children's reports, via email unless you requested a paper copy, on Monday 20th July. This year's End of Year Report is slightly different from previous years. This is due to the school closures and teachers not having seen most of your children for several months. We had also just written our Spring term reports, this means that the reports aren't as detailed as normal.

Classes for next year: We are really looking forward to welcoming in some of the pupils who we haven't seen since March. It will be invaluable for them to have the opportunity to meet their teachers and teaching assistants, see the school and most importantly their friends. Please see below for information on which class your child will be in and which adults will be supporting them.

<u>Current Year Group</u>	<u>Year/class in September</u>	<u>Teaching staff in September</u>
R	Lions – Year 1	Mrs Plowright
1	Lions – Year 2	Mrs Walker and Miss Pilcher
2	Leopards – Year 3	Mrs Beasley and Mrs Henderson
3	Leopards – Year 4	Mrs Butcher, Mrs Nice and Ms Parkin
4	Jaguars – Year 5	Miss Clayton
5	Jaguars – Year 6	Mrs Patrick

Risk assessment: I have completed the risk assessment in preparation for the wider return of pupils in September. This will be shared on the school website shortly, we will let you know when via text message. This is the first version. As further guidance comes out the risk assessment will be updated and

shared with you. There will also be a parents/carers' information page, this will provide you with the key information from the risk assessment. This will be sent at the end of the summer holidays.
