Autumn 2

15th September 2020

Staff changes: Sadly, Ms Parkin will be finishing her time at Nacton at the end of this month. She has worked at Nacton for many years and will be greatly missed. On a happier note, we are welcoming Mrs Pipe back at Nacton! She'll be doing some 'booster' sessions with our Lions, Leopards and Jaguars. These sessions are designed to support pupils or are finding some areas of learning a bit challenging and build their confidence, especially following the period of school closures.

Questions and queries: If you have any questions, queries or worries please bring these to the attention of your child's class teacher. I appreciate that it is trickier at the moment due to the staggered start and finish time. Please contact the school office by email or telephone and your child's class teacher will contact you as soon as they conveniently can.

School meals: We are continuing to offer our pupils a 'packed lunch' style school lunch. As I've explained previously, I'd be reviewing this to see if we could begin to provide hot meals, possibly after the half term holiday. I'm delighted that we are going to be offering hot meal choices on a Thursday and Friday from this week. This is still a temporary menu and I'll continue to review the lunches as we move through this half term. Going forward the weekly menu will be:

Monday

Ham or cheddar roll, veggie bag, St Clements shortbread and a piece of fruit

Tuesday

Cheese or tuna mayonnaise wrap, veggie bag, flapjack and a piece of fruit

Wednesday

Egg mayonnaise or ham roll, veggie bag, chocolate brownie and a piece of fruit

Thursday

Margherita pizza, potato wedges, baked beans and flapjack

or

Jacket potato with baked beans and/or cheese and flapjack

Friday

Battered fish, chips and peas and chocolate crunch

or

Jacket potato with baked beans and/or cheese and chocolate crunch

As per our risk assessment, pupils will continue to eat their lunch in the classrooms.

End of day pick up: please ensure that you arrive at the correct time to pick your child up and wait until told to enter the playground. This is to reduce the number of people waiting in the playground as we gather the children in their lines. We're trialling having signs so you know which group is being collected, to help reduce people entering at the wrong time. Thank you for your continued support with this.

If someone else is picking your child up from school, please make sure that you let us know. This is to help keep your children safe.

After school clubs: we still have some spaces available in our after school clubs. If you are interested in your child attending please email admin@nacton.suffolk.sch.uk . Don't forget our 'buy one get one half price' deal for siblings.
