Autumn 7

18th December 2020

Merry Christmas: A huge well done to all the children, and staff, for all their hard work this term. The children have settled back into school routines so well, after such an unusual period of home learning. All of the staff continue to be exceptionally grateful for the support that our families have shown the school. Although this Christmas may not be the same as previous years, we wish you all a very happy Christmas and a joyful start to 2021. We look forward to seeing all the children back in school on Tuesday 5th January 2021. Monday 4th January is a PD Day, so staff will be in school.

COVID-19 Symptoms: If your child develops COVID-19 symptoms within 48 hours of being in school please make sure that you follow the attached, and previously sent, protocol. Please make sure you contact me when the symptoms have developed so that I am aware of the potential for a positive case.

Christmas Service: Our 'Christmas Service' has been uploaded to Tapestry and Class Dojo. We hope that it brings you some festive cheer. Well done to all the children for their brilliant contributions.

Autumn Term Reports: Yesterday, we sent home the reports for the Autumn Term. We hope you've found it useful to receive an update on how your child is getting on. I appreciate that this year has been so very different, so you've not been able to talk to the class teachers on the playground as you could in previous years. At this time of the academic year we would expect pupils to be working at the 'beginning' of their year group band, or 'secure +' of the previous year group band. Please don't be concerned if they are working just below this: after such an unusual academic year, last year, we are really pleased with the progress the children have made since their return. They definitely deserve their two week holiday!
