Headteacher: Ginny Ryan

Review date: Autumn 2020

Total expected Sports Premium Income 2019-20: £16,840

Carried forward Sports Premium Income: £6,880

Summary

At Nacton C of E Primary school, we aim to deliver high-quality physical education curriculum that inspires all pupils to succeed and excel in competitive sport and other physically-demanding activities. It should provide opportunities for pupils to become physically confident in a way which supports their health and fitness. We believe that opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect.

Objective

To develop and add to the PE and sport activities that we already offer and build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

The five key indicators of improvement include:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport
